## EDITORIAL

I was going to tell you all about how good this issue is but looking slightly to your right and especially at Tanya (above) there's not a lot of point in stating the obvious. Then I was going to say how fiendish it was of FHM to say in their magazine that all top shelf men's magazine letters are made up which, if they bothered to read them or talk to any of our readers, they would find that they are in fact not (though whether you lot make them up is another fucking question!). Then I thought, the more I write the less you will be able to see of the amazingly stunningly gorgeously twoarshy Tanya so I should just stop right here because even her hand is sexier than anything I could ever come up with! Love your issue as much as we love Tanya... - The Ed. ♣

Lacey Duvall: Does she look like she's in need of some "Scouse Power"?

## LAY ME LACEY

Just finished 'dealing' with Lacey Duvall in the latest issue of *Club*. Fuck me, where did she spring up from? I've been known to bash one out to the odd mucky movie myself, but I've never come across this awesome babe before. She looks like she could ride my cock like a champion jockey. So come on Lacey, how about some serious shagging, Scouse-style?!

Alex, Sefton

*Lacey's really got you readers going. We're onto it right now, getting more sexy shots of our American beauty. Stay tuned...*

bedroom after coming home early from work last Wednesday that was actually the last thing on my mind.

I'm a train driver and because of a lack of rolling stock a couple of services had been cancelled, which meant that I could slope off early. I got home about four o'clock and opened the door expecting to see the missus doing something or other in the kitchen. Instead I could hear a softish moaning coming from the bedroom. I recognised it as the groaning that Debbie usually let out when I was rogering her! My blood started to boil. Was that my wife upstairs shagging some other bloke? I crept upstairs, trying hard not to make a sound and disturb them so that I could catch the bastards red-handed. When I flung the bedroom door open, ready to deck the bloke who was on top of her, well, I had to stop and do a double take. There was Debbie, lying back on the bed with her legs spread, just as I'd expected. But instead of some bloke's cock inside her Debbie had a massive dildo stuck halfway up her pussy.

And who should be working it in and out of her hole? Not a bloke, but our next door neighbour Shelly! My jaw just dropped to the floor. I didn't know what to say and neither did Debbie. She just lay there, her legs spread and her face turning redder and redder.

"I can explain," she stuttered. "I don't think you can," I said. Then I started giggling. All my anger just melted away. If Debbie was shagging some bloke I would have gone nuts. Now that she was at it with a bird – and Shelly was well fit – all I could think about was how great it would be for me to be doing the two of them together. And that was exactly what happened. I told the girls that they deserved a bit of fun, but now it was my turn. When they realised that I wasn't angry they both relaxed and first gave me a fully hardcore lesbian show that had my cock straining like never before, then both bent over on the bed and stuck their arses up in the air for me to slip them both a length until I shot two loads of spunk deep inside them. Nice work if you can get it – and I reckon I'll be getting a load more of it in future now we know we have a sexy girl next door willing to make it a threesome.

Carl, Leighton Buzzard

## FORGIVE ME HUSBAND, FOR I HAVE SINNED

# PORNO PARENTS

**WHEEL OF FORTUNE**

Where's the weirdest place you've ever had sex? Yeah, I know it's not the most original question ever asked (and the answer "up the arse" is even more clichéd!), but can any of your readers claim to have fucked on the Millennium Wheel? My girlfriend Trudy and I decided that it would be a real thrill to get in one of the bubbles, wait till it was at the top of the arc and then have a glorious shag while looking out over the whole of London. It took about an hour one wet and windy Thursday night before we managed to get a bubble with nobody else in. But once we were in there the thrill of what we were going to do made the wait till we got to the top almost unbearable. Trudy said that her knickers were soaking with her own juices at the very thought of it and kept rubbing at my stiff dick through my jeans all the way to the top. By the time we made it I reckoned that I'd

**Two bourgeois babes book into the best hotel in Paris and enjoy a weekend between the sheets...**

**W**hat could be more sensuous than staggering half-drunk one night to your hotel room in Paris and opening what you thought was your door only to find these two French maidens enjoying a late-night liaison? Even better, they don't notice you standing there all open-mouthed and daft-look-

ing so they just carry on whispering to each other in saucy French and kissing like a newly-wed couple.

You see, Simone and Bethany were both bored French housewives, whose husbands are more interested in watching their share prices crash than seeing to their wives' needs, until they

turned to each other for fulfillment. Now they sneak away for weekends of lesbian lust in expensive hotel suites all on hubby's credit card and finger and fuck each other till the early hours.

Now what hotel was that again? Le Grand... ♣

# FINGER STRINGER

Anyone been watching ITV's Friday night motoring programme 'Revved Up'? I couldn't give a shit about cars myself, but I'll put up with a few dodgy motors if it means I get to cop a load of presenter Olivia Stringer. She is fit as fuck, I'd like to finger her lovely pussy and her nice juicy tits would look really great with my spunk dripping off them. Wonder if she'd let me?!

Jerry, Bristol

spunk my load the minute my dick was released from my pants. Thank God I lasted a bit longer than that as Trudy hitched her short skirt up around her waist and pulled her panties to one side to reveal her by now doubly juicy beaver with its nicely-trimmed thatch. I slipped my throbbing boner into her and started to thrust into her hard and long. She screamed with pleasure and shouted "Fuck me baby" - and believe me I did! Within two or three minutes we both came together and then slumped against the glass, exhausted by all the excitement. It really was the sexiest fuck of my life and I'd like to know if any of your readers have anything better than that to share with the rest of us...

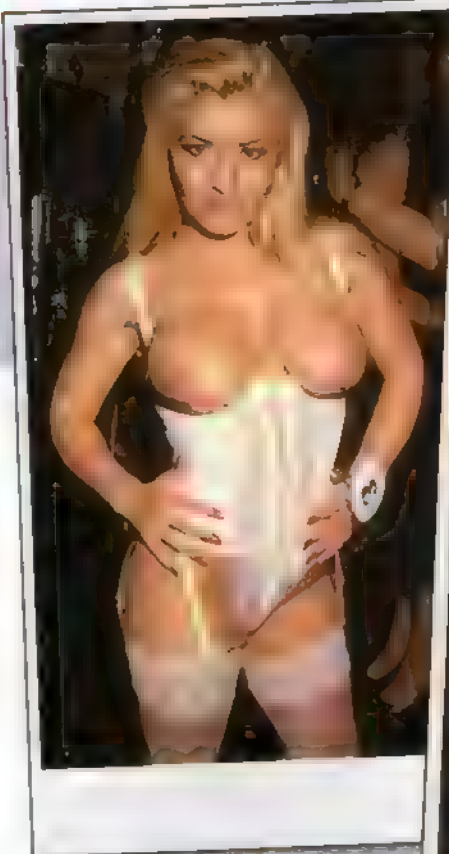

Trevor, Wandsworth

## GIRL ON TOP

I bet I'm the kind of girl that all of your readers love. Why? Because I am mad for sex and don't care who knows it. I don't see why it should be that blokes who go on the pull on a Friday night and get a shag are seen as studs and girls who do exactly the same thing are known as slags. That's bollocks - and if any bloke accuses me of being a slut I'll kick him right in the bollocks. I don't go with just anyone. I'm five foot eight, with big boobs (all my own, I'll have you know), a pert little arse and legs that I have to say are the best in any club I walk into. So believe me when I say I'm a choosy girl. But in any night-club there's always going

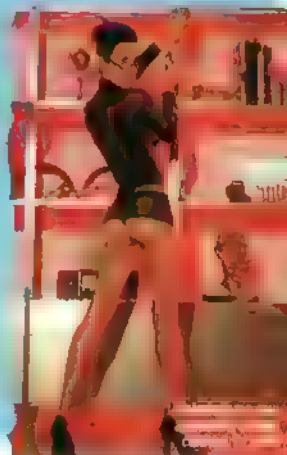

to be one bloke who I fancy - and that's the guy as often as not I end up sleeping with. I'm not interested in a quick knee-trembler out the back of a club. That kind of behaviour is for slags! I want to fuck and be fucked somewhere where I can take my time, get comfortable, make a man work on me, from the tips of my toes to the top of my head. I want at least 20 minutes of close attention paid to my pussy by a man's tongue. If he won't give me head properly then he won't get to stick his dick inside me, simple as that. Now if you think this all makes me sound like a bit of a battleaxe I'd say think again. Almost without exception the

blokes I've fucked have loved every minute of being told what to do, when to do it and how to do it. I find that blokes want their girls to be sexy and feminine, definitely. But they're also fed up of women who just lie there and take what they're given. God, most women won't even play with their clit in front of a man - and we all know that most men would die to see a woman play-

It happens to be the thing that turns me on most of all, but most guys won't even dare mention it because they think women think it's disgusting. I find I can get much better when I have a big, thick cock in my arse rather than in my pussy. It also helps me to frig myself while taking it up the back which is the ultimate in sexual pleasure for me. There are women who are upfront about it and you have to do is find them.

## 1 BOTTOM CLEANER

Now this is what we call a hard sell. How do you convince a love god that what they really need is something to make their arse smell sweeter?! Tough call, especially when the product in question is called Sphincterine and features a talking chocolate starfish on the bottle. But fuck all that, what does it smell like? **Chanta goes the wrong way about becoming a big screen celebrity...**

**I**t's going on for a year since Chanta last let her clothes fall off for *Club*. Her ambition then was to become a Bollywood superstar but, predictably, she's done nothing about it because she's been too busy working at a hair-dresser's in Preston, Lancashire.

"I've been for a few film auditions and they were fun but I just ended up messing about and meeting new people to have a laugh with rather than work with," admits the stunning 20-

year-old. "In fact the only 'big part' I've had was when I went down on a boy pal of mine in the backrow of the local cinema!

"I can't even remember what the film was. I just remember feeling really horny about half way through and starting to let my hands wander across my mate's lap. We've messed about a bit before but nothing much more than kissing - so I think he was a bit surprised when I unbuttoned him and started sucking him off till he came down my throat..."

Aah, we love a happy ending. ♣

## breast in show

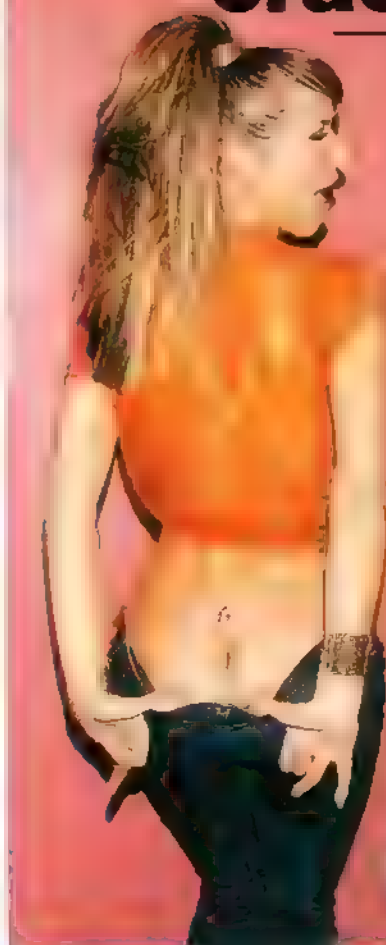

The only custom we care about at the annual National Custom car show is the one where all the birds are fighting like tomcats to show off their jubbies to the

assembled throng! And the thirtieth anniversary gathering of petrol-headed people at Redbourne in Hertfordshire didn't disappoint, with plenty of game girls getting up and at 'em. The highlight of the pap-heavy section of the Saturday night frolics was the competition for the ladies to try and balance coat hangers on their ninnies. Ice cubes were allowed to aid production of chapel hat pegs and much fun was had by all. Apparently there were some quite nice cars there as well, but we didn't bother looking...

That's 16,000 square feet of nightclub, photography studio and 'special events center', interestingly based in the city's Meatpacking district. And by the look of it, everyone who goes there has a right good crack, especially soon-to-be-famous musician Mia

Dick and the fit bird: For the benefit of our American readers, he's a dick and she's fit... and she's the one on the right... with the foam... and the wig

## clever dick

Andy Dick is a US comedian and in America they do take things literally. So when our boy decided to perform live at the Key Club right there in Hollywood, he was only too happy to let a fucking lovely bird with beautiful tits and a butterfly obsession rub shaving foam all over his dick. Geddit?! He's called Dick! Ah, America. Land of the free and easy! ♣

# WOMEN'S PRISON PEOPLE

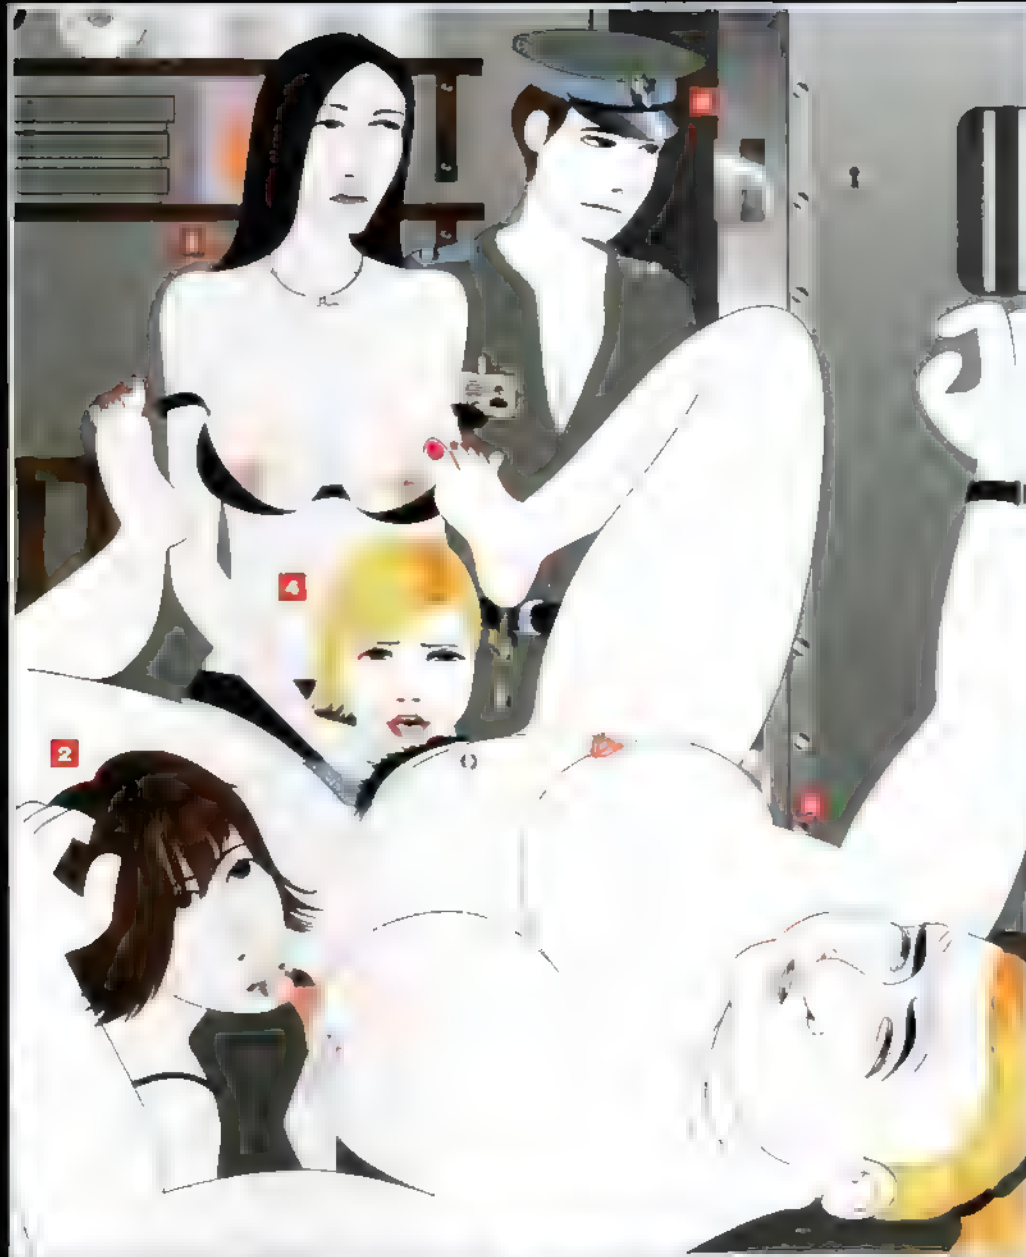

Been inside lately, girls? Then you'll know this lot!

## 1 THE HOOKER

In her line of work the Hooker's only too used to the occasional stretch, though that's become more of a rarity these days. She's a professional and as such accepts short stays at Her Majesty's pleasure as an occupational hazard, like finding sperm under her contact lenses or the disgusted looks she gets when she goes into Mothercare to buy knitting needles, but no wool. Prison is a nice little break for her, she much prefers it to being fined, as they can often hit her pretty hard in the pink pocket. Of course she always has her brown switch to fall back on, but she's reluctant to run that up too much in case she finds herself horribly overdrawn. *I hope you get that very elaborate, drawn-out joke Mr King has attempted here. It may be worth reading twice - The Ed* So the Hooker will do her month in prison and try to keep her nose clean (though that'll depend on how often Mrs Big showers) and when she gets out she'll go straight back to work. Well, you might not be able to teach this old dog new tricks but give her a bone and she knows where she is. Yes, porridge holds no fears at all for the Hooker, she just hates getting it up her nose and in her hair, that's all.

## 2 THE MARTYR

There's usually one old bird in every nick who is held up as a shining example for 'sisters' everywhere after being convicted of cutting off her old man's cock and flushing it down

the bog to get even with him for falling asleep in front of *Match of the Day*. The martyr will be some frail and frightened little bird who's willing to forgive and take back her cockless old man, just so long as he drops all the charges against her and apologises for not being suitably sensitive to her needs. Incredibly, sometimes the old man does apologise, he turns over a new leaf and becomes attentive, caring and completely selfless,

only for the old lady to suddenly jack him in "because he's a bit too nice" and go off and live with some truck driver who does her up the arse all the time and breaks milk bottles over her head for a laugh. Of course, the Martyr can only be a Martyr if she's a woman, because guys, if you cut bits of your girlfriend up and chuck them out of car windows, it doesn't matter how many times she's laughed at your favourite shirt, no one's going to chain them-

selves to the railings outside the appeal court for your early release.

## 3 MRS BIG

She's as tough as old cunts and is known around the cell block as Number One, especially by the first timers when she corners them in the showers after a few cups of tea. She likes her pick of the newcomers and will take the shyest girl under her wings (or any other time of the month, come to that) and offer her protec-

tion, security and the chance to become one of the 'golden girls' (it's about this time that the newcomer starts to wish she'd bought that TV Licence). Mrs Big's a lifer, but she adores it in the pokey, but then who doesn't? The least likely inmate to escape, if she wasn't a convict, she'd almost certainly be a screw.

## 4 THE SERIAL ACCUSER

She shouldn't be here at all, she's the victim, Mr Atkinson, the butcher, definitely had

a cock in his trousers when he handed her half a pound of sausages and would've used it if she hadn't run for the police. Just like that other time when those lads went past and all of them had cocks too. How they would've liked to have stuck it in her again and again and again, then made her do all those shameful things she's thought about so many times. Okay, so she exaggerated a little, but it was only to make sure the police put those dangerous men away. And this is how they thank her. Still, she's nice and safe now. No one in here will make her do anything she doesn't want to do. In fact, Mrs Big's even offered to protect her and give her a sisterly hand in the slammer.

## 5 THE SCREW

Not so nicknamed for nothing, you know? Female prisons' recruitment boards attract more lesbians than real ale pubs. After all, where else can muff shufflers get a job where all they do all day is march around in big boots, watch bad girls in the shower and search fannies for files? Obviously, not every female screw is like this, but if the Sunday papers are to be believed the service has more bad eggs than your average corner shop. An exaggeration? Well possibly, but girls, if you've ever strummmed one off over *Prisoner Cell Block H* or *Tenko*, this is almost certainly the job for you! (By the way, if you are reading this in a prison, send us some pictures of your tits!) ♣

**Gets, take your seats and watch Tanya strip. Life don't get much better than this!**

**S**ometimes a girl comes along who has it all – and it blows us away! One such lady is Tanya; beautiful face, smooth bottom, cute boobs and a neat little sexy pussy. What more could a *Club* reader want? Didn't we tell you we always get the most gorgeous girls naked???

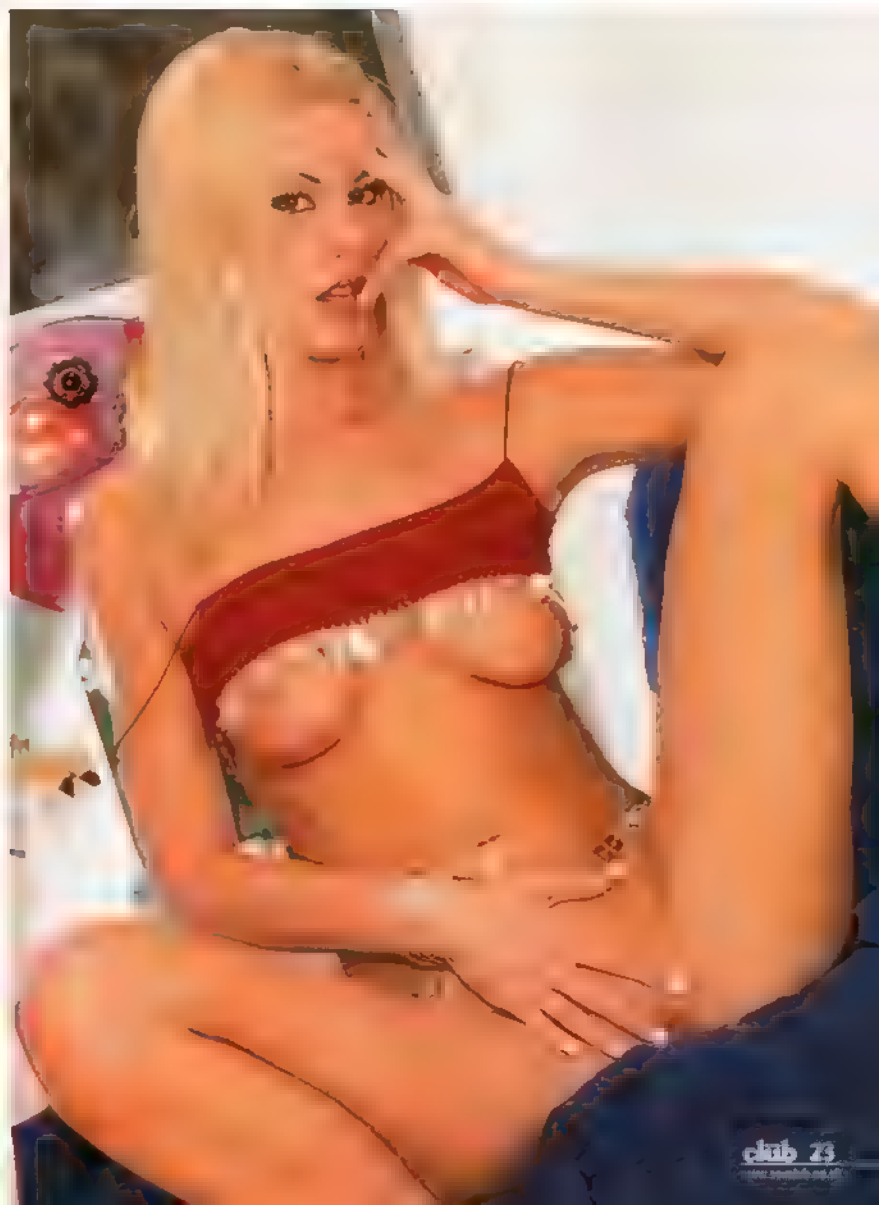

"I'm so flattered! You're making me blush!" says our shy sexbabe, 18, from south west London. "I've been thinking about getting a job or going to college next year, but you know what? after finding out how much fun and compliments I get doing a spot of modelling for *Club* I just may stick with this for a while." Well, it pays for the drinks on a Saturday night!

"The sort of places I go, you'd have to double my fee for me just to get tipsy! There's some smart new places in London at the moment, like Sketch, The Click and Nylon over in The City. I go to all of them because I love going out but when it comes to getting chatted up I think men must think I'm really hard work, but it's just because I'm shy and don't know what to say to people I've just met. I'm a lot better once you get to know me and I can come out of my shell and show you the sexier, chattier me. Then if you get me back to your place you can see even more of me, if you know what I mean..."

Oh we know exactly what you mean, young lady and it sounds very, very, very, very, very nice! ♠

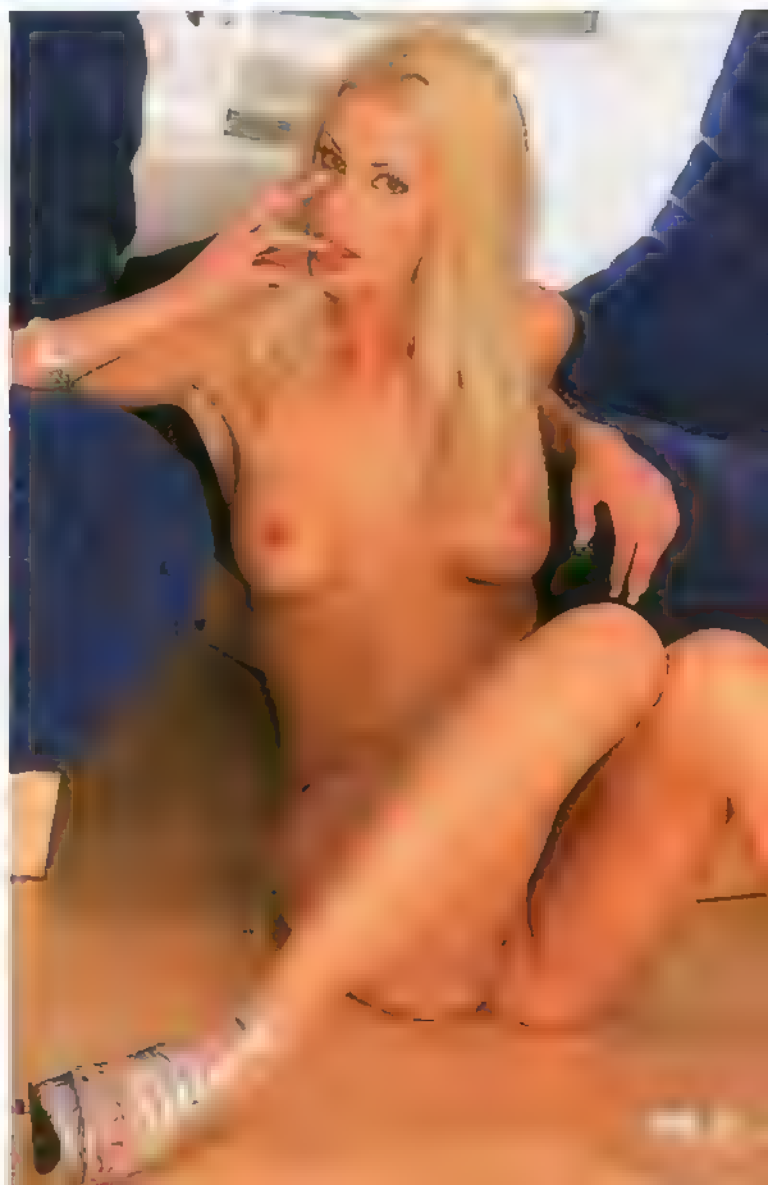

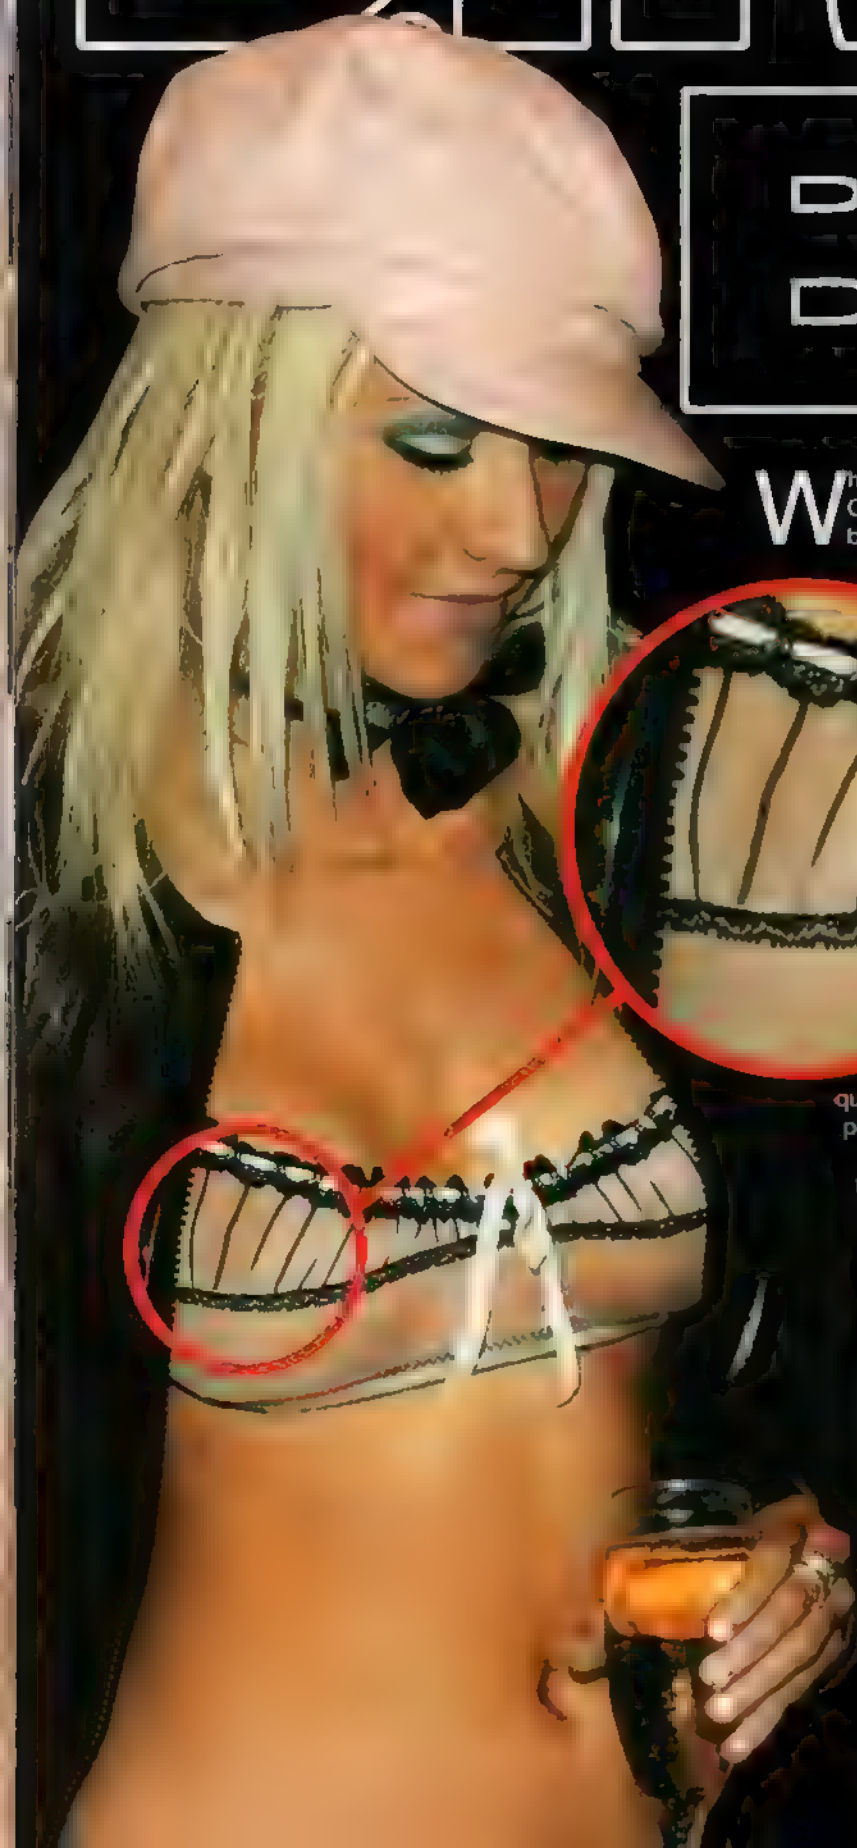

# DIRTY BOX

**W**ho really gives a fuck whether Osama Bin Laden's got a dirty bomb? Not when we know for sure that Christina Aguilera's got a dirty bum! Now

there was a time when the lass who once 'hung' with Britney Spears as Mickey Mouse Club kid—the privilege was about as tent-inducing as that tedious old dyke Rhona Cameron. Well, alright. She was never quite that bad, but you get the picture.

Then there we were late one night, doing the one-handed channel hop in the wee small hours as you do, when we sort of 'came across'

'Dirty', the first single from the 21-year-old Pittsburgh girl's third album 'Stripped'. Now what the hell was happening here, m'lord? Was that the once prissy chanteuse noted for candy floss pap like 'Genie In A Bottle' coming over all booty-shaking, phat-bass-throbbing, groin-thrustingly naughty? Wasn't that her prancing about wearing a pair of pants that were so camera-shy they were dis-

appearing up the crack of her arse? Didn't Christina's bum cheeks have a cheap-assed sticker saying 'dirty' spread right across them? Was that her straddling various oiled-up fellas? And hold on a fucking minute! In the middle of what looked like the kind of all-in shagging session you only read about going on in some exotic German castle on the first of every month,

**"Sexuality is a beautiful thing. We're sexier than guys"**

wasn't that Christina doing something with her hand that looked suspiciously like, well not to put too fine a point on it... like she was having a wank?! Yes it fucking well was! What the hell had happened here? The once so wholesome Christina now looked like she couldn't wait to get something slipped between her bits! Did we like it? What wasn't there to like? Here was the flowering of a virginal little angel into a cock-hungry diva happening right before our eyes. And we could even forgive her that terribly slipshod spelling for that.

"I'd gone through a break-up with my first real love and I began realising that I should

be experiencing a bit more of life than TV and recording studios, hotels and green rooms," she said by way of explanation, then promptly started singing that record, which explained things just a little bit better. "I need that burghh to get me off, sweat until my clothes come off," she said, then quickly started doing photo sessions where she just couldn't keep her hands off her own admittedly very fondle-able tits. And even all that wasn't all. Christina started telling everyone who would listen that the piercing in her lip wasn't the only one she'd acquired lately. "Some are visible and some are in... other special places that I really like." With little metal things hanging about where the sun don't shine and an arse as peachy as you please, could this really be the same girl who'd recorded an album called 'My Kind Of Christmas' a year or so back? Well, yes it was. Maybe rubbing up against rap hussies Mya and Lil' Kim while she was shooting the 'Lady Marmalade' video for the *Moulin Rouge* soundtrack tune in 2001 set those hormones off. But whatever it was, there's no doubt about it, Christina's finally found her button. And yes, that definitely makes her our kind of girl. Time to get dirty... ♦

Alexa loses it with girls and likes to be licked but always hangs onto her hat

**W**e blame Jay Kay for this whole hat thing. Before him, going out with a big hat on was sheer madness, asking for trouble. Now it's almost *de rigueur*. So it was with some reluctance that we let sexy Alexa keep her titter on for most of this stunning shoot.

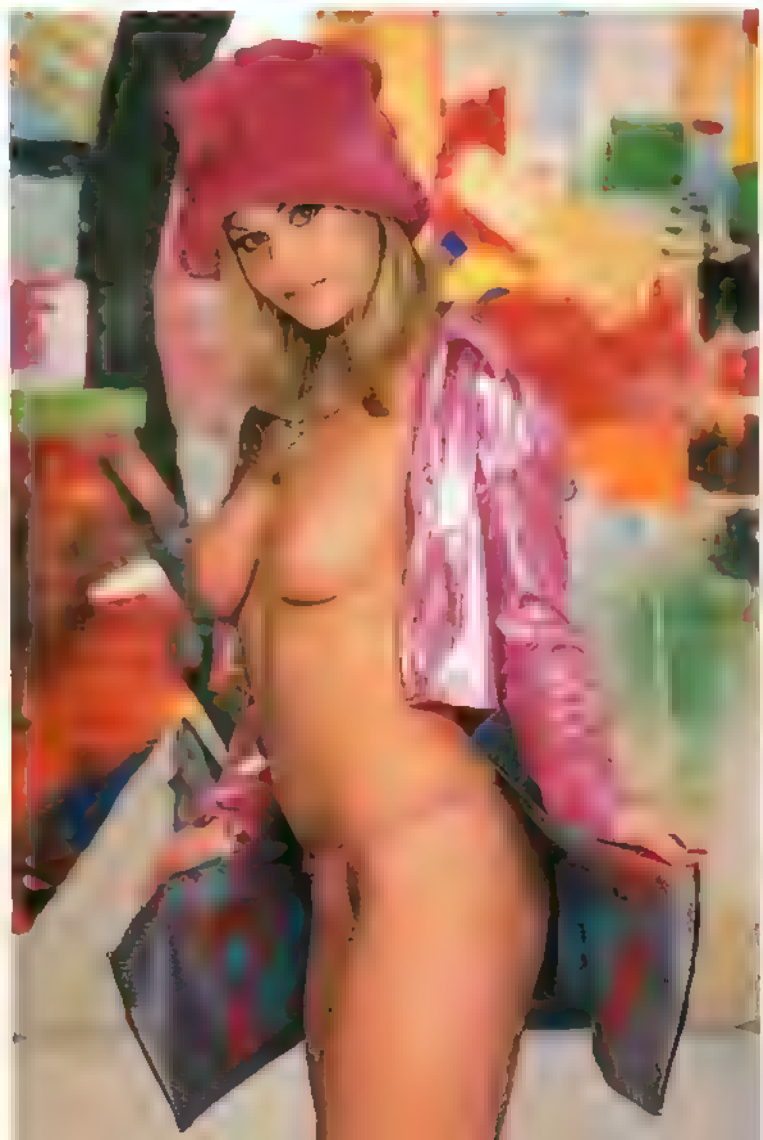

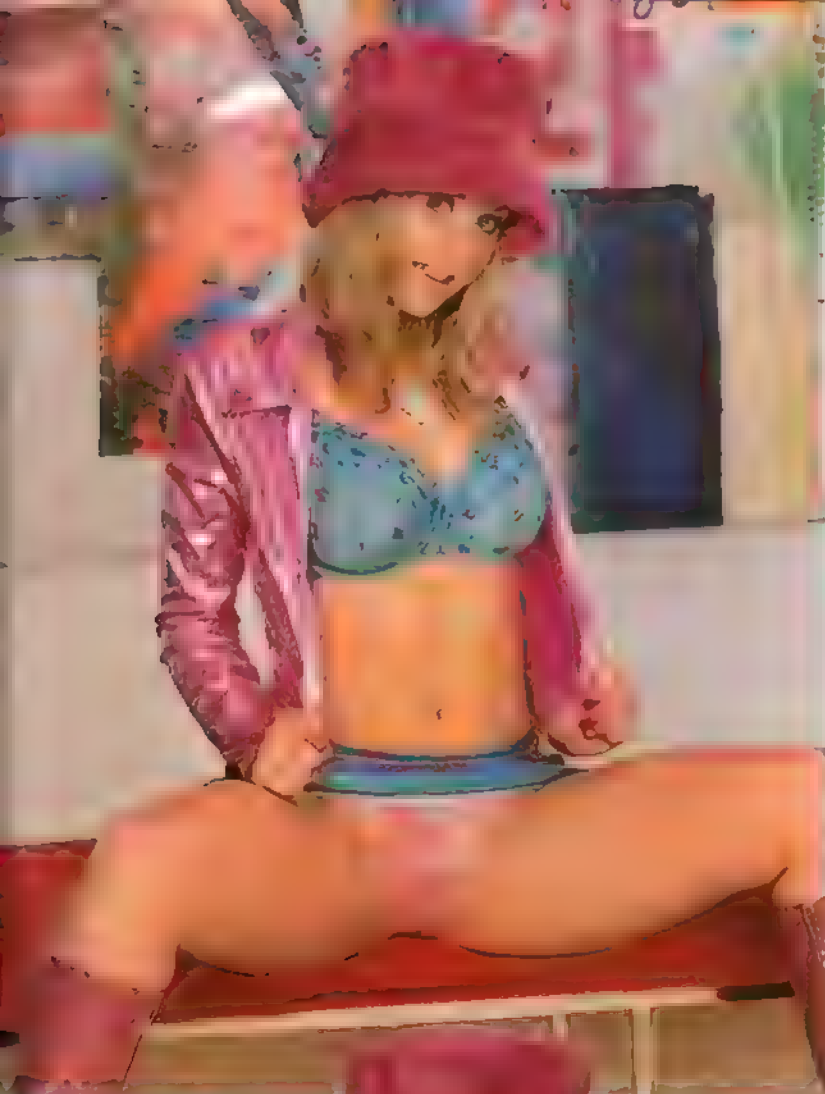

"I shouldn't worry too much," says the 21-year-old beauty therapist. "I think it's my pussy most people will be looking at, not my hat! Besides, I think it's cool and sexy and I've pulled in it at least twice. It's a good talking point and breaks the ice with boys."

Okay, enough about the pink furry thing on your head. Let's talk about other pink furry things. Ever had it off with another girl? We love stuff like that at *Club!* "I've snogged other girls, friends of mine, when we've had no-one else to snog and too much to drink. It's fun, and fooling around with girls is no big deal anyway. God, half the girls I know these days are bi. I've never gone much further than kissing but you never know. I could just see myself in a big bath with two other girls seeing to my every need and soaping me up! It's the sort of thing I'd do if I had a boy watching. I don't know if I'd do the whole lesbian lick-out experience just for myself."

Any crazy kinks we should know about... other than the fucking fur hat?! "I quite like a bit of light bondage, tying up a boy or getting tied up is a serious turn-on. Being tied up and blindfolded then being licked all over is heavenly – and I mean *all over!*" ♣

**She's a gorgeous blonde with great boobs and a hint of desperation...**

**I**t's a woman's prerogative to be late (except with that one little thing that sends the fear of God through us!) but lovely, lovely Adelina was bang on time for her shoot – if not a few minutes early. In a world where 10 AM means sometime after *Coronation Street*, that's nothing short of a miracle...

"I've never stood up a boy or been late for a date or anything," claims little Addy. "The main reason is that I don't get asked out that often, so when I do I don't blow it! Well... I do 'blow' it if you know what I mean," she continues, laughing like a naughty school girl.

"I don't think men of any age still quite realise that girls like sex too! Just because not all of us walk around going 'Fwoar! Look at the arse on that!' doesn't mean we don't meet a man and wonder what his stomach is going to look like when it's three inches from your face and his willy is five inches down your throat! (*Do the math, ladies and gentlemen – The Ed.*) Us girls think about sex even more than you men do. I get totally squirmy thinking about what it would be like to get George Clooney with his head between my legs – or even the Georgie bloke who serves behind the bar at my local! Do I sound desperate? I do don't I? Well, I can't say I'd turn a man down at this precise moment in time..."

So it's gone from George Clooney to the us has it? ♣

# knock, knock! zoo's there?

Money for old rope? That lame gag the bloke in the pub told you could earn you cash!

## MONKEY MEASURES

A man is in a pub with his monkey and orders a drink. While he's supping, the monkey jumps up on the pool table, grabs the cue ball and swallows it whole. The barman says to the guy, "Your monkey just swallowed the bloody cue ball!" "Well, I hope it kills the little bastard, because he's been driving me nuts," the bloke says and leaves the pub.

A month later the same guy's back. He orders a

drink and the monkey goes apeshit, finds a grape on the bar, grabs it, sticks it up its arse, then pulls it out and eats it. "Did you see what your monkey did now?" says the barman.

**Q. Why is a slapper like a doorknob?**  
**A. Everybody gets a turn!**

"He stuck a grape up his arse, then pulled it out and ate it." "What did you expect?" says the man. "Since he ate that fucking cue ball he measures everything first!"  
*Ian, Chester*

## HORSE WHIPPING

A man goes into a pub and gets himself a beer just as George W. Bush appears on the television. After a few sips he looks up at the television and mumbles, "I'd rather fuck a horse than listen to that twat." A guy sitting next to him turns round and slaps him. Then President Bush's wife suddenly pops up on the screen. "I'd rather fuck a horse than listen to her," the man says. A customer at the other end of the bar stands up, walks over and knocks

him off his stool. "Bloody hell," the man says, staggering back onto his feet. "This must be Bush country!" "What do you mean?" says the barman. "This is horse country."

### DOG TIRED

A young girl is going home through the park in the rain when she comes across three dogs

"What's your name, then?" she says to the first dog. Incredibly, the dog actually answers her. "My name's Rover and I've had a great day jumping in and out of puddles." The little girl is amazed. She turns to the next dog. "And what's your name then?"

### ANIMAL MAGIC

A doctor had just finished shagging one of his patients and was feeling a bit guilty because he thought it wasn't really ethical to do it. But a little voice in his head said "Don't be so hard on yourself. Lots of other doctors have sex with their patients. Don't worry, you're not the

Suffer, bitch!

Unbelievably, the second dog also answers her, "I'm Bonzo and I've had a great day jumping in and out of puddles too."

"And what about you?" she says, turning to the last dog. "My name's Puddles," says the dog. "And I've had a fucking terrible day."

first." This made the doctor feel a bit better... until yet another voice in his head said, "Mind you, they probably aren't vets."

## go on... ask her!

She's rude. She's called Rachel. And she always reveals the truth, the whole truth and nothing but the truth about her sex life

### SHAUN, KINGS LYNN: WHAT'S YOUR FAVE POSITION AND WHY? WHEN I SEE YOUR PICS, I IMAGINE IT TO BE DOGGY STYLE... TAKING IT DEEP!!

**Rachel:** Why would you think my favourite position was doggy style just from looking at my pics, eh, Shaun? I thought I looked very demure in all those photos! And anyway, there wasn't one single picture of me on all-fours sticking my bum in the air! As it happens I do like it doggy style. Most of my girlfriends enjoy it too – and we all agree that it's easy to stimulate your clitoris for extra

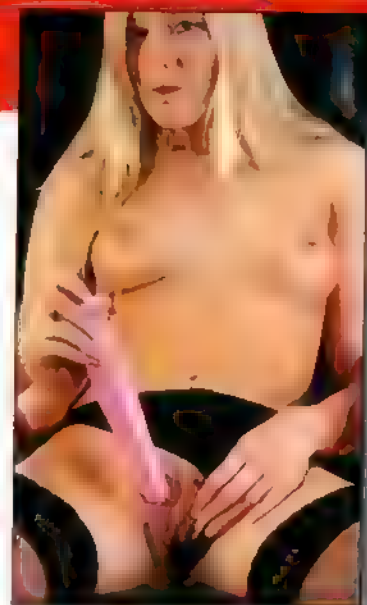

pleasure with the one hand, while hanging onto the headboard with the other. But doggy style isn't my absolute favourite position. That would have to be straddling a bloke, having lowered myself straight down onto his rigid prick.

There's something about the angle of a dick entering me this way that really seems to suit me. I find that once I start riding up and down on a bloke's cock like this it's easier for me to build up to an orgasm. And then when it finally comes it always seems to be really strong and powerful. The other

thing I really like about being on top like this is that I get to see the face of the man I'm fucking. I've always loved to watch a guy's face the moment he comes; I don't know why. And if I happen to be fucking a woman who's wearing a strap-on I find that this position works just as well for me then too.

### ALICE, BICESTER: ARE THE GIRLS WHO ARE PORNO MODELS DOING IT PURELY FOR CASH OR DO THEY ACTUALLY GET OFF ON THEIR WORK?

**Rachel:** To be honest I'd say a bit of both Alice – and then it depends on the individual girl to what extent she's motivated by money and to what extent she just loves sex. Everyone who works in this business has a high sex drive, otherwise they wouldn't last very long. You'd be surprised how hard it is to really come

across as sexy in a photo (even if you're totally starkers!) if what you're really thinking is "How quickly can I get the cheque and bugger off home?" You get found out dead quickly. But it's nice to get paid for doing something you love. And knowing how many times I've had sex with someone I've just done a session with – both girls and blokes – I think we all feel the same. ♣

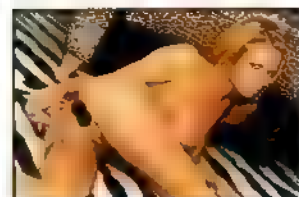

# banks' assets

She's one naughty, naughty lady and she's a babe too!

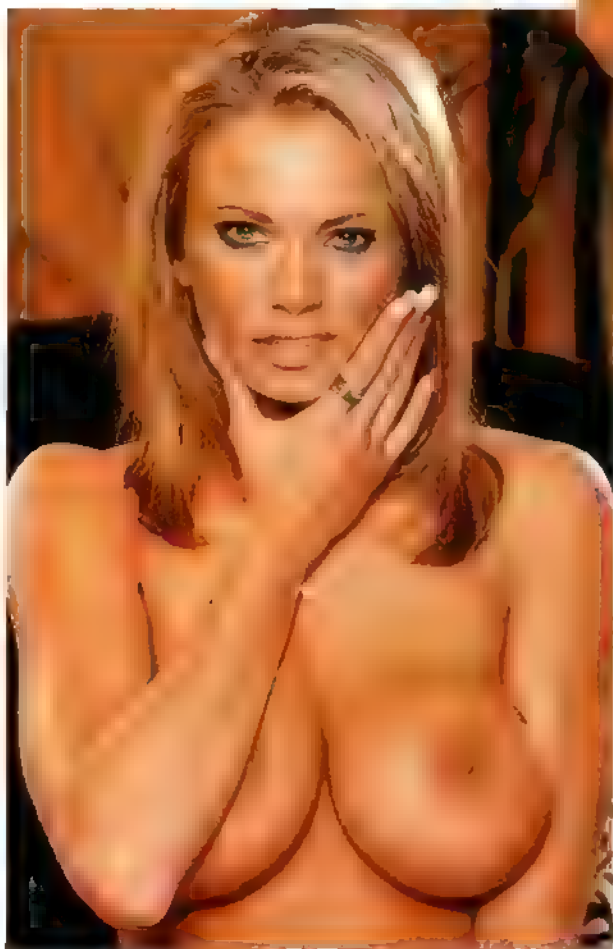

**B**rana Banks has come your way before. In Vol. 32 No 2 to be precise. Now she's back on our shores to promote a new video (the name of which escapes us) and, well, herself really!

"I am a shameless self-publicist," laughs the 23-year-old US sex superstar. "I love the attention. I suppose that's why I started taking my clothes off in the first place. But if you think I'm bad now you should have seen me back in my college days. I was a fucking nightmare on heels! Anyone throwing a party round their house would know that it only took a couple of drinks, some loud rock music and a crowd to get me stripping out of my party dress and putting on a show. The other girls fucking hated me – and I don't blame them! I used to get their guys going then take the cutest one into the john and carry on. I'd do shows for the girls too. And if a babe took even the slightest interest in me I'd have their panties round their ankles in seconds and be introducing them to a little lady love!"

But if you don't believe even Brana's own declaration of naughtiness, we implore you to look at her pictures on the Club Xtra site (URL below) because that Perspex double dildo proves her point in the most amazing pictures you've ever seen! ♣

Then when you accepted them he finally told me I was going to be in Club. It's very exciting - I hope I get a few men out of this!

I've had it with three blokes at a party - separately though! None of them knew about the others. It was mad. I just seemed to go from bedroom to bedroom getting off with fellas!

The thing I think about when I'm flicking the little bean tends to be about doing it with other girls. Well, one girl in particular actually, so I guess that's my fantasy.

CLUB RATING: ★ FLOPPY ★★ FLACCID ★★★ FIRM ★★★★ FULL ON ★★★★★ FUCK ME!

## BOOK

### Suzie Hayman's Sensational Sex

The World's First 3-D Guide to Truly Sensational Sex  
(Carlton, £9.99) ★★

If you're a sucker for those daft 3D images no matter what's actually in the photographs, then you'll definitely enjoy this effort. The images really do work. Softcore has never been more three dimensional. The trouble is it's hard to see how many more times somebody can tell us about how love-making is, like, really, really good and nothing to be ashamed of at all and a very beautiful thing without us going fucking mad. Yes, yes, yes. Any normal, healthy human knows all that cobbles already. We worked it out in sixth form. So if you honestly think that you actually need this book, then I'll bet a pound to a penny you're not getting any sex at all, thereby making buying this 'How to...' manual a fucking waste of time.

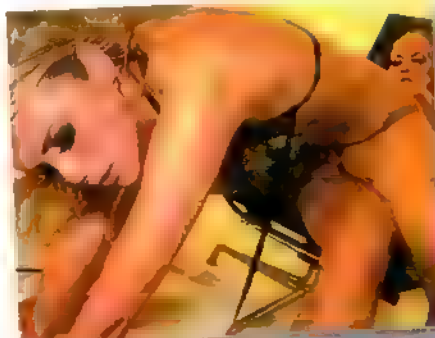

## DVD/VIDEO

### Anal Office Cock-Up

(Relish) R18 ★★★★★

The girls at Relish really don't believe in beating around the bush. Not when they could be taking it up the arse, anyway. 'Anal Office Cock-Up' is about as fine a collection of posterior poking as you're likely to find. Now, thanks to the relaxing of the porno laws, you can legally watch our game gals chill out and take a variety of cocks, dildos and strap-ons right where the sun don't shine. Sphincter-busting performances abound as our shy lasses are successfully seduced into all kinds of entertaining depravity. You should particularly watch out for the girls who play the secretaries who can actually act and have some genuinely funny lines. *Marvel!* At how these ladies go about their tasks with such dedication to duty. *Thrill!* To the sight of furious fucking and fingering. *Slavver!* At the fact that there are sex-mad sluts like this out there in the world. *Cry!* When you realise that you don't know a single fucking one of them. *Cheer!* When you realise that you can at least watch this fifth time and again in the privacy of your own home. So long as you've got the curtains closed!

## VIDEO

### Junk

(Artsmagic) 18 ★★ ★★

'A cracking, action-packed zombiefest with a mad, kung-fu fighting killer zombie chick thrown in for good measure.' Now why don't all films talk themselves up like that? What's not to like about 'Junk', a Japanese hack and slash movie with a suitably mad plot and some nice gory

moments of flesh-eating thrown in? The twist, as in all good zombie tales, is how the hell do you win out in a battle to the death with *to k who are already fucking dead?! Well, I won't ruin the climax for you, but suffice to say it's suitably gory and suitably silly at one and the same time! Just the kind of nonsense that fans of over the top sick flicks like me love!*

## BOOKS

### Rude Food

Luke Cox

Summersdale, £4.99) ★★ ★

### The Little Book of Love Poetry

Summersdale, £3.99) ★★

We never really understood the connection between food and sex. Fortunately, Luke Cox is in the main interested in the stuff you can eat, rather than the stuff you can paint yourself with, with the dishonourable exception of his crap 'ideas for food fore-play' section. Still, at £4.99 a few recipes about the place won't do any harm. And nor will the cover of a naked woman with a great

big sausage on a fork. Subtle? No. Entertaining? Yes.

If you want to get into a bird's pants by making her feel that, you know, you really understand her, then 'The Little Book Of Love Poetry' will help. It's a bunch of flowery stuff about the beauty of love guaranteed to convince a whole load of sappy women that your intentions are honourable when you drop the odd line into the conversation. Then by the time she actually works out that you were nothing more than a typical bloke bastard all along it'll be too late for her to do anything about it!

## BOOK

### Shakespeare and the Art of Verbal Seduction

Wayne F. Hill and Cynthia J. Ötchen

Edury £7.99) ★★ ★

Nothing pretentious about this, then. If Hill and Ötchen (dig those crazy middle initials) really think that we're all going to look to the wit and wisdom of Shakespeare to help us pull, then they're stupider than they sound. I don't reckon that "it is not politic in the commonwealth of nature to preserve virginity" is going to get you into anyone's pants down Ritzy's Friday, do you? But if you want to read this just for the laugh of seeing what a clever bastard like Shakespeare thought about the eternal game of seduction, then this is good stuff. Toilet reading for smartasses.

# REMOTELY INTERESTING

Ali Goater reckons wanking over hotel porn is striking a blow for civil liberties... even if the cleaner catches you cock-handed!

We do not believe you if you say you've never checked out the porn on your hotel Pay Per View. You may not have walked into a room, dropped your bags and immediately said a great big 'yes' to 'Anal Intruders 4.' But that's only because you aren't as filthy and depraved as us, which is, quite frankly, no barometer to go by. Admit it. Hotel rooms and masturbation are faithful bedfellows, with the adult movies the glue that sticks it all together. The man who is tired of a quick pull when he's stuck in a Quality Inn in Bradford is tired of life.

On-site stroking is way more exciting than doing it at home, mainly because it comes with some very real dangers.

bill will say something designed to make sure your upright bitch of a wife never suspects you of being a wanker (Something really subtle like 'In-House Movie - Bambi - £10.99 - Commenced 12.37am'), you will also be forced to face the music by some snotty-nosed receptionist coughing and saying "Just the adult movie for extras, then, Sir?" in a voice that could double for an ultra-loud foghorn.

So given the hazards attached to hotel porn they should just do away with the whole bloody idea and save us all a load of hassle, yes? No way. We at *Club* will defend a man's right to wank off in someone else's bedroom to the last. Which is why the latest developments in America will send

## Cuthbert wasn't going to let The Moral Majority stop him tossing off

Foremost is the dreaded master-key, owned by foreign cleaners with no understanding of the English language and an absolute physical incapability of knocking. And the idea of a Weeble with buck teeth from Peru catching you cock-handed isn't quite the stuff that you get in the letters pages of *Club*. Then there's the tricky proposition of trying to get enough visual stimulation without actually paying for it. Once you've jerked yourself into a frenzy over some hardcore and quickly spilt the baby gravy, the last thing you want to do is watch another two hours of bucking and writhing knowing you're racking up a hefty old bill. That's why cheapskates the world over are always trying to come in 'preview time' only.

Being fleeced for £10.99 or whatever, though, is actually small beer. Certainly in comparison to the sheer shame that check out time will inevitably bring. No matter that your

shivers down the spine.

Given that adult moves account for about 90% of the country's PPV Trade, you would have thought Yankee hotels would fight tooth and nail to protect the first amendment that says 'All men are born equal and should be allowed to toss themselves off in any hotel they goddamn please'. But anti-pornography activists and local government in Cincinnati have succeeded in getting hotels to remove their porno movies, saying that distributing sexually explicit materials is illegal. Scott Greenwood of the American Civil Liberties Union of Ohio, says "They are trying to export their own Taliban style of fundamentalism." Make no mistake, like baseball caps and Al Qa'ida terrorism, what starts in the States ends up here. We must resist. So next time you're tossing one out over 'Anal Accident 5', don't worry about anyone else. You are striking a blow for civil liberties! Just make sure you do it with a hanky... ♣

the boyfriend bit...**

**B**obbi's favourite TV show is *The Office*, her favourite food is Thai, her favourite film is *Dirty Dancing* and her favourite position is on top. What else do you want to know?

"Men always want to know if I've got a bloke," laughs lovely Bobbi. "And the answer to that is a big 'NO!' I had a boyfriend for about a year and it did my head in. He expected me to clean up after him and cook for him and do all the shopping – and suck him off while he watched telly." And the problem being..?

"I hardly got anything and spent more time using my fingers and sex toys than getting pleasure from his penis." Yeah, but he sounded like he was enjoying your relationship...

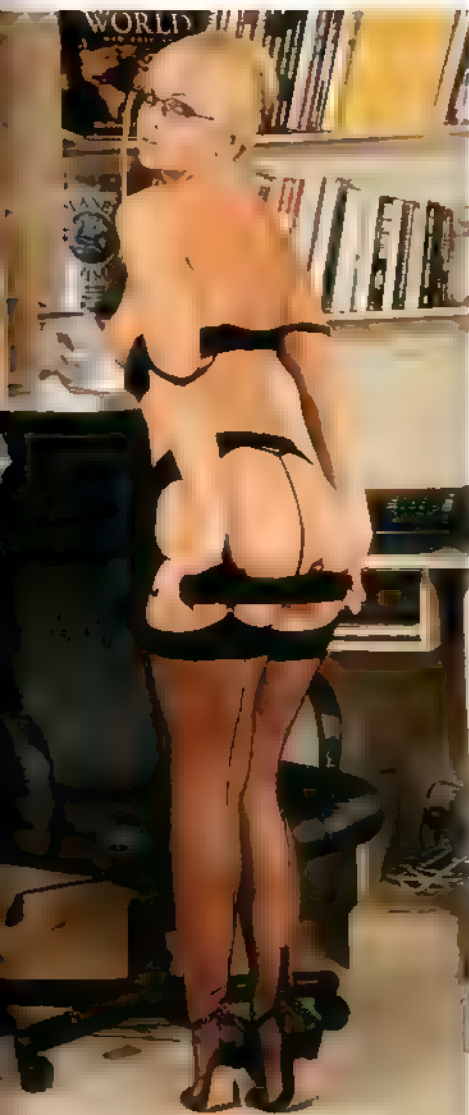

"Of course he was! He didn't have to lift a finger. I even unzipped his flies for him before I blew him! I'm going to enjoy being single and have a bit of fun with a few people. It's hard to go out with someone when you're full-time model anyway. # BLUE

Round-town girl Angela is the sort of babe who's up for anything - as her luck lady-mates soon found out...

## NORTHERN NOOKIE!

*It looked like just another drunken night on the pull until Lucy opened her big mouth!*

I get your magazine every month and I do appreciate the fact that it is not all about London people and what happens down there. I haven't got anything against the place, I just know for a fact that plenty of good British dirty behaviour happens all over the country - especially on a Saturday night in my home town of Blackburn! I'll explain...

I hate to say it (though I bet most of your readers would agree with me) but nearly all my most adventurous, no holes barred sexploits have started down in town at the local pubs. A few drinks to get the blood rushing never did me any harm! I tend to hit the town early, about 7.30 in the evening (just after *Blind Date!*). I've already had a couple of glasses of wine before I hit the pubs then it's vodka and orange all the way! I always stick to shorts because I don't

back on the bed. I stuck my legs in the air, rolled my thong up my legs and threw it in the corner of the room, then looked Tony in the eye and said "Come and get it, Dick Head!"

Lucy and Karen looked shocked as I told them how Tony had stuck three fingers, then four up my pussy while he sucked on my clit. "You're a filthy mare!" said Karen, the only black girl I know and one of the funniest people you've ever met. "But I wish I could get Tony to give me a good lick-out too!"

"Don't bother, Kaz, he's crap!" I laughed. "He took about 20 minutes to get me frothed up and in the end I had to finish myself off while he wanked over my tits!"

Then, from nowhere, Lucy chimed in: "You don't get that problem with Karen. . ."

For a moment I didn't really know what she meant. Did she mean Tony had been getting off with my ex or, as was suddenly more apparent, did she mean that Karen had no problem bring-

## "KAREN HAD ADMITTED THAT SHE'D FANCIED GETTING HER HANDS ON LUCY FOR AGES"

want to add any more inches to my 38-inch boobs and 34-inch bum. I look after my body at gym classes during the week because I like to look good when I go out on the pull. My pulling mates are Karen and Lucy. They're both 21, just like me. It's them who wanted me to write to tell you all about what happened on our last pulling mission two weeks ago (so I'll have to share the money with them if you print this!).

The early evening was spent gossiping and avoiding ex-pulls in various pubs so we were pretty gone by about ten. The subject of conversation had progressed from work, to clothes, to sex (as usual!). I was even drunk enough to tell Lucy and Karen about the knobbing I'd got from an old boyfriend during the week. He'd come over to get some CDs back from me but I'd been feeling really horny all day and hadn't had time to flick the bean before he came over. Obviously I'd had him before so I couldn't really see much harm in jumping on him again and getting him to lick me out. And just like the lad that he is, he just couldn't refuse! I took him up to my bedroom (I still live at home unfortunately, and my parents were in downstairs) and flopped

ing Lucy off with her tongue?!

"Are you telling me you've gone down on Lucy?" I said, astonished.

"Shut up, Lucy!" said Karen, trying to put her hand over her mate's mouth.

"No, come on, tell me what's been going on! Are you two lezzers or something?" I demanded, still shocked but also very intrigued - anything to do with sex always gets me interested!

"Well... we've been meaning to tell you," said Lucy ominously, "but we've been seeing a bit of each other... A lot of each other actually!"

I could hardly believe what I was hearing. While Karen sat red-faced beside me, Lucy told me how nearly three months ago Karen had made a pass her when she was very drunk. Lucy hadn't known what to say, "So I just said yes!" laughed Lucy. She told me how Karen had admitted that she'd fancied getting her hands on Lucy for ages but didn't know how she'd react. She said how they'd gone off to the pub toilets (while I was in the same pub getting chatted up by some daft bloke!) and got off with each other! She said they'd started off kissing just on the lips, then progressed to tongues

while Karen moved her hands down Lucy's back and grabbed her bum. "At the same time I moved my hands up to her tits and next thing I know Karen has got one hand between my bum cheeks fingering my pussy from behind while I'm snogging her!" revealed Lucy excitedly.

Now Lucy was in full flow she couldn't stop herself. "I got Kaz's tits out of her top and started sucking on those little brown nipples and I

"So I invited her round to my place the following Sunday to finish things off..." said Karen, suddenly not so shy

It turned out that Lucy had gone round to Karen's parents' place the following week and they had been a bit embarrassed to see each other at first. Then Karen suggested they go and talk in her room. They had sat down on the bed together and gone over what had happened

## "KAREN HAD A HAND BETWEEN MY BUM CHEEKS AND WAS FINGERING MY PUSSY FROM BEHIND"

was really getting off on her. I couldn't believe it; I was really wanting to fuck a girl! Now I can understand what my brother is on about!"

Lucy's brother Michael has recently come out as gay and had been banging on to us about how good it was to fuck a man up the arse and we'd all said he was a fucking weirdo!).

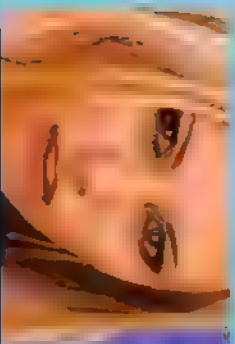

"I can't believe you didn't tell me," I said, a little bit hurt that my friends had secrets from me and also a little bit miffed that I'd missed out on something. Hang on a minute! Was I getting turned on by all this girl-girl thing too?! "Then what happened?"

"We fingered each other for ages but it was a bit cramped to do anything else," said Lucy.

between them and why and, more importantly, what they were going to say to me. Then Lucy had turned to Karen and kissed her on the cheek and then they were at it again. This time Lucy had got on top of Karen and licked her firm brown boobs and then gone down on her and licked her out. That's how Lucy had known how good her friend was at giving head.

By the time the whole story had been told it had gone last orders – and I had gone way past the point of no return! I had missed out on some sex and wanted my share! I knew that Lucy was lucky enough to have a flat of her own so I suggested we carry on our conversation back at hers over some more drinks. A ten-minute taxi

ride later and we were back sitting on Lucy's sofa. "So are you two sort of 'girlfriends' then?" I asked.

"I suppose so," said Lucy.

"But does that mean I can't join in then?" I said, drunk and cheeky.

"Fuck!" squealed Karen. "I thought you'd never ask!" Then the fun really began...

Lucy slipped her arm around my shoulders and drew me close to her. Then Karen got down and knelt down on the floor in front of me. Then while Lucy began to give me my first girl-to-girl sex kiss, Karen slid my short dress up my thighs and opened my legs. I was going to see how good Karen was at the lick-out thing too!

My pussy had felt juicy since we had left the pub. Now it was a slick little river of girl drops! It had made a dark patch on my little panties and I could smell it even over Lucy's perfume.

"Mmmm," said Karen, "I'm going to enjoy this..." And with that she pushed my legs further apart and started to lick my pussy through my knickers. My head was swimming with the booze and the sex and the smells and the new sensations of a gorgeous girl with her head between my legs. Then when Lucy moved her hand inside the top of my dress and squeezed

my right nipple really hard I flipped out and came with a shudder and a squeal.

"I'm sorry, I couldn't stop myself!"

Karen said nothing, just pulled my panties to one side and began to lick my labia. I slid my bum down the sofa to meet her tongue. This was pure fucking heaven! Lucy was still tongue-kissing me and pinching my nipple even harder. I love it a bit rough!

Then I began to get confident enough to get to grips with my friend's bodies too. First I ran my hands over Lucy's boobs from the outside, then managed to get her bra undone and get them out to feel her flesh. This was the most naughty, bad-girl, exciting thing I had ever done and it was getting better with every grope! I dipped my head and sucked on Lucy's tits, careful to position myself to allow Karen clear access to my soaking pussy, where she was enjoying the taste and smell of my fresh come juice.

Gradually, our twisting orgy of hands and boobs and pussies moved to the floor where I managed to find myself with my head between Karen's long brown legs with my head in her curly muff and getting fingered from behind by Lucy. "Lick me, straight girl," said Karen, gig-

gling. "Lick it like your girlfriend wants you to lick it. Lick it like the drunk bitch you are! Get your fucking white girl's tongue inside my black pussy and fuck me like a lesbian!" Karen was really getting carried away and I was too, though my tongue was too occupied with her clit to respond!

As we rolled around we positioned ourselves in a lovely sex triangle, my head between Lucy's legs this time, her head nuzzling at Karen's hot nings and Karen back licking me out even better than last time. It felt like Karen was trying to finger me with three fingers at first, then more. Then I realised she had just about her whole hand up inside me and I rode it for all I was worth - knowing only too well that I was going to have trouble walking the next day!

Our filthy sex session lasted for over four hours, sometimes reaching fever pitch, at other times calming down to cuddling and kissing. I made sure I got an orgasm from both girls and gave them both a

faceful of my love! But by five in the morning I was beginning to get tired. All that fucking can be hard work, you know!

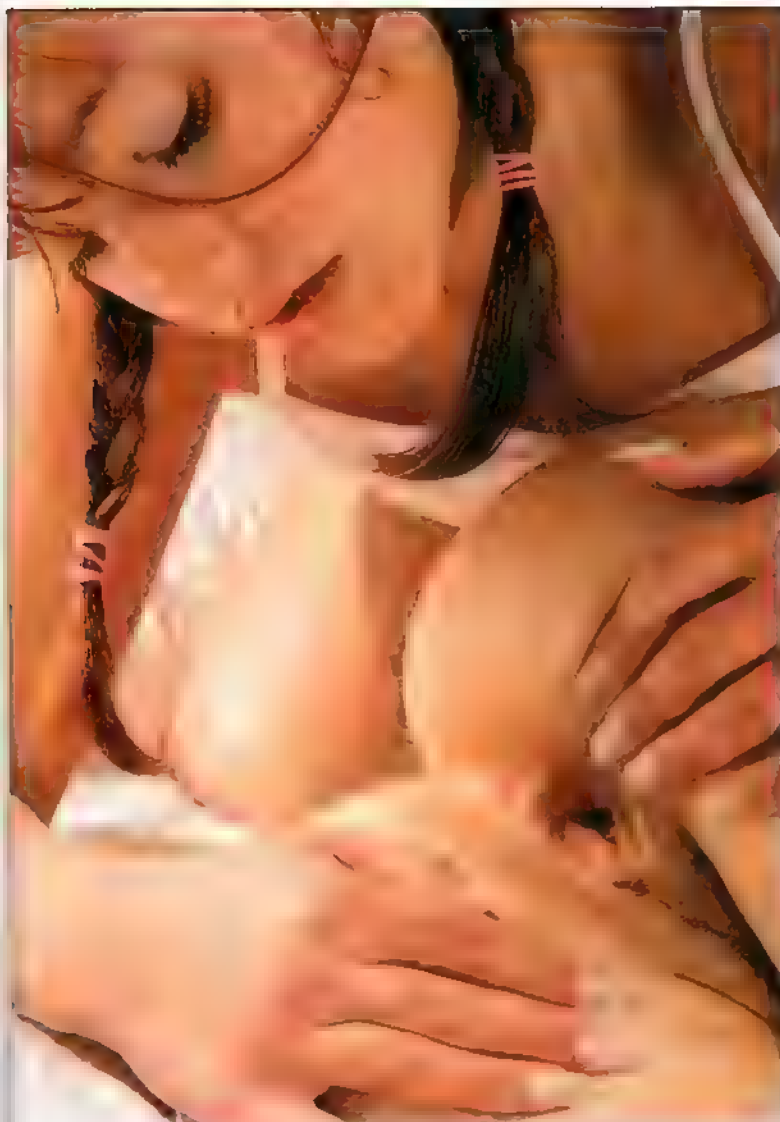

I woke at about mid-day snuggled between my best mates in Lucy's bed. As we stirred, we caressed each other and kissed a little, reassuring one another that the previous night hadn't just been another drunken mistake! Later, we made love again (notice I don't use the word 'fucked' here!) and it was lovely. If I'm totally honest I did miss having a rough hairy fella fucking into me from behind, but as big nights go, they don't come much bigger than that one!

Hope you enjoyed my letter. And I hope this leads a few more girls to try out girl sex as well as boy sex sometime soon... preferably with us. Angela, Blackburn. ♣

## AMATEUR ARSE DRAMATICS

I've always thought of myself as a bit of an amateur filmmaker, so when I spotted a really nice camcorder in the sales recently I just had to snap it up. I was a bit surprised that my girlfriend Kate seemed so keen for me to spend such a lot of money as well, but I soon forgot about that in my excitement at getting a smart new piece of tackle.

A couple of weeks later we both went to my office party. It was a free bar all night and by the time we were ready to head for home we were pretty slaughtered. Kate looked great in her little black dress and it really showed off her fabulous figure. Her body never fails to turn me on and so

right across my face. I'd always wanted to capture my missus being rude and filthy live on camera, but had never had the bottle to suggest it to her before. And now here she was offering one of my best fantasies to me on a plate.

"You dirty little minx," I said. "Get your pert little arse up those stairs right now." Kate ran off giggling and I went to find the camcorder. By the time I'd got a hold of it and headed up to the bedroom Kate was already lying on the bed wearing just her underwear, a tiny red thong and matching peek-a-boo bra. My dick was already on the rise. This was going to be serious fun. I put the camera to my eye and waited for the automatic focus to do its stuff and bring my

breasts swung fully into shot. Kate's eyes closed as she continued to massage her nipples, pinching them and pulling them taut. Lowering one hand to her stomach she then trailed it down to her pussy.

My cock was rampant now as I watched her slide her hand into her knickers and play with herself, her fingers quickly probing inside her love hole. Then Kate hooked both thumbs into the waistband of her panties, raised her hips slightly and slipped them off. She leaned back and parted her legs for the camera, her pussy gaping wide and excited already, a trickle of love juice snaking down towards her bum. I'd never seen Kate get turned on quite so quickly. She was obviously really into being filmed. Spreading her pussy lips wide, she began to rub her clitoris in small, circular movements. Her hips pushed upwards as she rose to meet her fingers. Little gasps escaped from her mouth as she pleased herself.

"Very sexy," I encouraged. "Now spice it up a little bit for me, darling." Rolling over the bed, Kate fumbled in the bedside cabinet and to my surprise, pulled out a red vibrator, which I hadn't seen before. Bloody cheek! She'd been using it on the quiet, had she?! Twisting the base, it jumped into life and the low buzzing tone filled the room. Kate then guided the pulsing vibrator across her boobs before sending it swiftly downwards, finally plunging it deep into her cunt. As she fucked herself I just couldn't help rubbing my cock through my pants, trying hard to keep the camcorder steady. Kate's hand became a blur as she worked the vibrator in and out of her sopping pussy, driving herself towards orgasm. It didn't take too long before she started to climax, her hips bucking wildly as she impaled herself even further. She then lay

**"Fuck me in the arse,"  
screamed Kate. I'd never  
seen her this dirty!"**

things naturally started to hot up in the cab on the way home. When we finally crashed back through our front door we were both as horny as hell. Standing in the darkened hallway we carried on kissing. I cupped her boobs and started to massage them, stroking her nipples through the fabric of her dress until they were fully erect. Then I slowly hitched up her dress and traced a way up her thigh towards her knickers with my fingers. Kate grabbed hold of my hand to stop me and whispered "No. Before you get carried away there's something I want you to do for me. I really want you to film me." It took a few seconds for it to sink in. Then a broad grin spread

sexy bird into view.

"OK Kate. This is how it's going to work," I said. "You do exactly what I say. Is that clear?" I was trying hard to come across as the domineering director.

"Whatever you say Mr. Director," she giggled, entering into the spirit of things and blowing a kiss into the camera. "Right. Time to get your gear off," I snapped. "Action!"

Looking straight into the camera Kate winked and then began to kneed her boobs, coyly at first, then more confidently as she started to rub her nipples with her fingertips. Then, unfastening her bra and slipping it off, her gorgeous

back, her breathing still heavy.

"Very nice," I encouraged. "But I want you on all fours. I want to shoot you from behind." Tutting with mock irritation, Kate got onto her hands and knees and pushed her wonderful arse towards the camera, wiggling it playfully. Then she parted those firm arse cheeks, allowing me to get a lingering shot of her excited, glistening pussy. Picking up the well-oiled vibrator, she rubbed it over her wet pussy lips, savouring the vibrations as she circled the tip over her bubbling cunt.

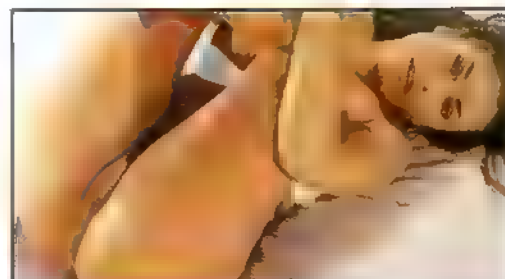

"Rub it over your arse," I ordered. "I want you to be really dirty. Imagine you're a real porn star imagine there are millions of blokes watching you, wanting you, wishing it could be them fucking you in the arse right now." I was quite enjoying my first venture into the porn industry and it definitely seemed to be doing the trick for Kate as well. Trailing the vibrator backwards as she began to work her glorious arse, her hips rocked back as she guided herself onto the tip, enjoying the intensity of the sensations. Increasing the pressure bit by bit, Kate's anus began to stretch and accept the pulsating vibro. "Oh God, that feels big," she mumbled, her head buried deep in the pillow. "But I want it in my arse. It makes me feel so dirty when I have something up my bum. I'm going to push it up right now. I want you to watch me. I want you to film me." Lubricated by her own pussy juice on the vibrator, Kate's arse gave little resistance and she had soon eased in half of the vibrator's length. By now Kate was so lost in her own ecstasy that she had completely forgotten about me and the camera as she slid the vibrator in and out of her arse, her sphincter gripping the plastic tightly. Each stroke caused a muffled cry to escape from her lips.

By now I was finding it absolutely impossible to control my throbbing dick, so still focusing the camera on Kate's arse antics, I knelt down behind her cheeks. Pulling my cock out of my trousers and into shot I slowly started to rub it over her bum. Kate responded by pulling the vibrator out of her arse, then looking over her shoulder and smiling at me. Without saying a word she was letting me know that she wanted me to fuck her right in the arse. I nudged the tip of my helmet at the entrance to her bum as she quickly slipped the sex toy into her pussy. Her arse yielded immediately and within a few short thrusts of my cock I was hilt deep in her back passage. The vibrations coming from her pussy triggered a sensation in my cock as well, which only went to double my pleasure.

"Come on. Fuck me in the arse," screamed Kate. I had never seen her this horny – or this dirty! "I want hot cock right up my arse and I want it right now," she gasped. With each thrust Kate lifted her hips up allowing me to drive harder into her. The sensation was mind-blowing and I knew it wouldn't be long before I had to shoot my load. I could feel my balls tightening, but really wanted to see spunk. I withdrew from her arse just in time to deposit a torrent of thick white come all over Kate's lovely arse cheeks. The feel of hot sticky semen dripping all over her did the trick and again Kate whipped the vibrator out of her pussy and shuddered to a second climax. It was so powerful that she couldn't stay on all-fours a moment longer and flopped face down on the bed. My love juices

dribbled down into her crack. How I'd managed to keep the camera rolling while my balls exploded I'll never know, but somehow it worked. Absolutely everything was right there on film!

We spent the whole night playing back my dirty missus' on-camera arse antics and screwing like mad. The whole experience was fantastic and Kate absolutely loved it. She said she couldn't believe how much it turned her on to be filmed fucking – and how much she enjoyed watching herself performing afterwards as well. We'll definitely be doing it again before long – maybe with friends to add a bit of extra spice and excitement – and all I can say is that I'm going out to buy myself a tripod right now. I reckon it's even better being an actor than a director! – Dave, Birmingham. ♦

# STERIOD ALTERNATIVE

Earlier this year at John Hopkins University in the USA, clinical trials on mice produced astounding results with HEALTHY MICE gaining 2 to 3 times more muscle than their ordinary counterparts. Scientists studying what made these animals hold so much more muscle mass discovered the answer was MYOSTATIN. Or rather the LACK of Myostatin. The Myostatin gene produces a protein found in all our bodies whose only purpose is at a certain point to "turn off" muscle growth. Scientists found that instead by "turning off" the Myostatin gene they could literally lift genetic barriers to muscle growth. Blocking or decreasing Myostatin also decreases body-fat levels. The clinical research on animals showed that decreases in Myostatin resulted in up to a 70% reduction of body-fat levels! So by controlling Myostatin not only could you pack on new muscle mass, but lose unsightly body fat as well.

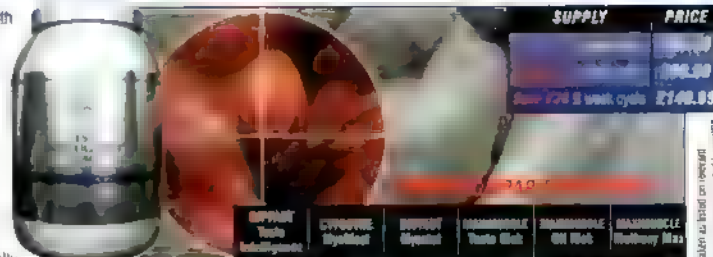

Ripstax's stunning NEW Testo Intelligence Stack SS1 now contains MYANABOL™ and is the most powerful Myostatin inhibitor supplement available in the world. The MYANABOL™ in Testo Intelligence Stack SS1 actually "binds" myostatin in your body. Neutralising the effect of myostatin on muscle cells could literally lead to REMOVAL OF MUSCLE MASS LIMITATIONS! Testo Intelligence Stack SS1 with Myanabol

- *Allows you to gain muscle mass that would be impossible without this technology*
- *If you're a hard gainer, it is ideal to kick-start muscle growth*
- *It's perfect for already well built athletes who have hit a plateau and stopped growing to kick-start BRAND NEW muscle growth*

Testo Intelligence Stack has the ability to NEUTRALISE MYOSTATIN AND increase the body's level of all five anabolic hormones. 1) Testosterone 2) Human Growth Hormone (hGH), Insulin 3) Insulin-Like Growth Factor 1 (IGF-1) & Luteinizing hormone (LH) 4) Includes MYANABOL™ (Cystosera Canariensis Complex) PLUS! Tribulus Terrestris, 20-Hydroxyecdysone (Ecdysterone), Methoxyisoflavone, 7-isopropoxyisoflavone (Ipriflavone), L-Arginine Pyroglutamate & Lysine HCl, Alpha Lipoic Acid, Zinc, Magnesium, Chrysin & an Anabolic Multi-Nutrient Stack.

**Testo Intelligence Stack SS1 with Myanabol literally allows the athlete to overcome the main obstacle in building a superb body - genetics! NOTHING ON EARTH COMPARES.**

# "THIS IS THE BEST JOB EVER!"

## Sex text girl reveals all

"The first time I did it was really horny. I sat there with a phone in one hand and the fingers of my other hand teasing my pussy the whole time. I just couldn't help myself. Getting text messages from guys telling me how much they wanted to fuck me was a real turn-on, so I had to play with myself. I still find it very horny. This really is the best job ever." Liz Fraser looks like she enjoys life. Dressed in an expensive-looking suit and surrounded by her mobile, PDA, laptop, she looks every inch the top exec. But text sex is how she makes her living... and her work is definitely her pleasure.

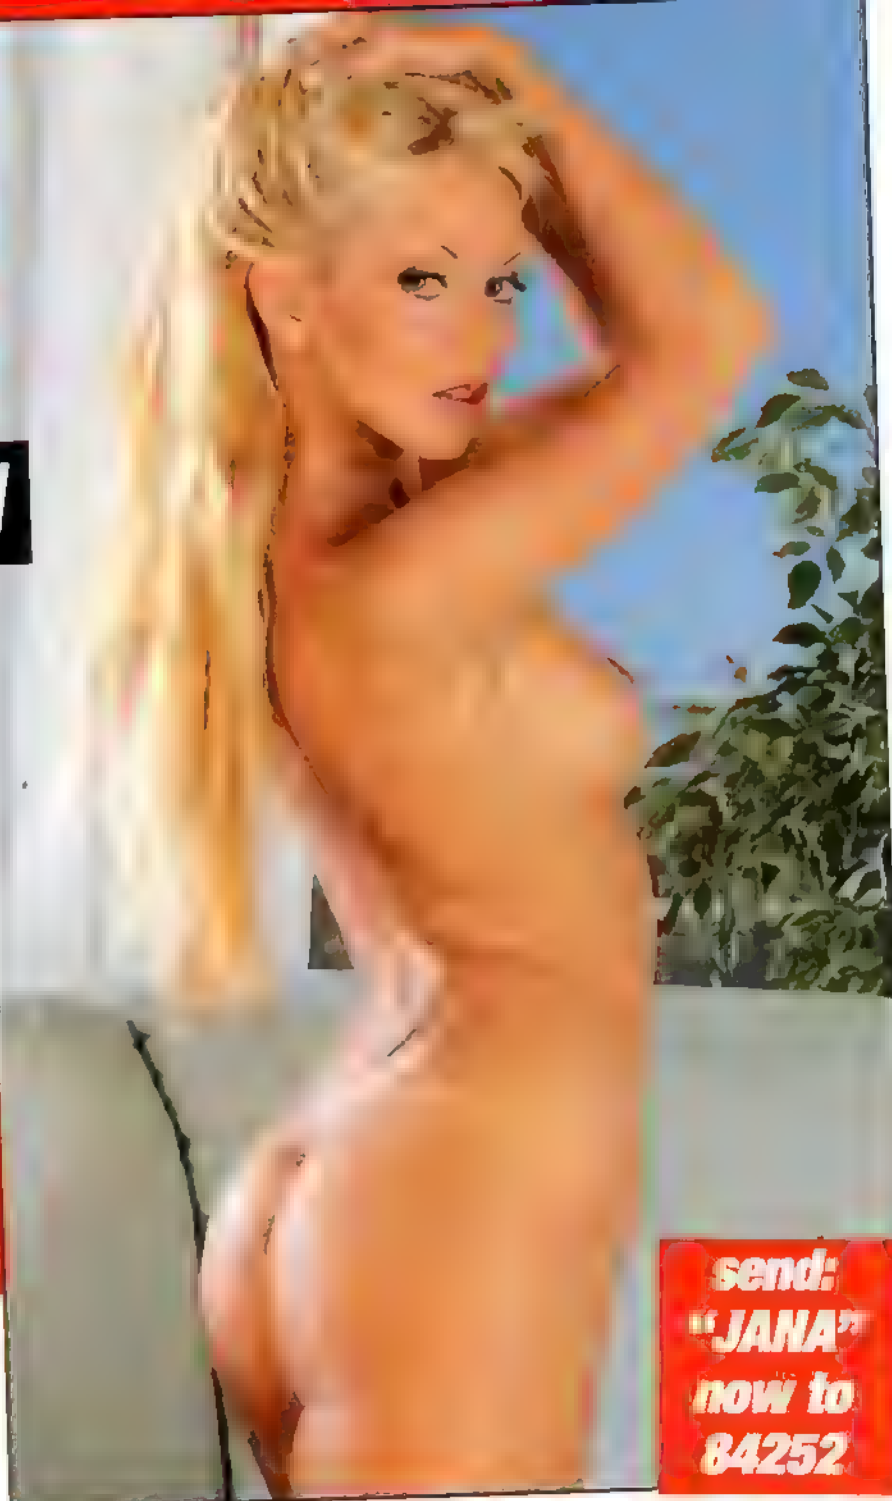

"I love really rude messages. They're the ones that get me most excited. Especially when a guy talks about coming all over me, because I love the taste of spunk! I used to work in PR, which was OK. But talking about sex all day is way, way better."

Liz loves what she does, but she's by no means the only girl who gets off on text sex. "We've got so many sexy girls here it's amazing," says adult text spokeswoman Paula Douloreuse. "They come from all over Britain and from all sorts of backgrounds - housewives,

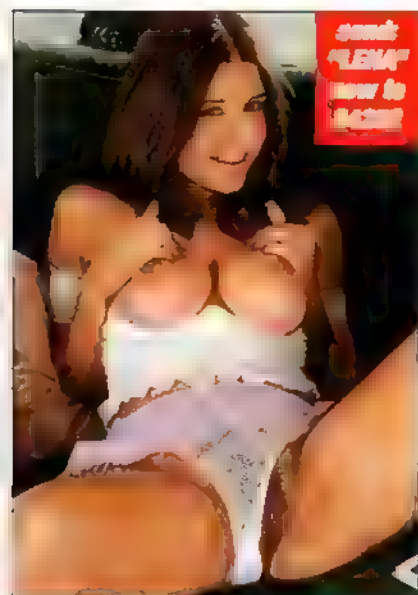

## "I have to play with myself. Text sex is so horny"

students, girls next door - but they all have one thing in common. These girls love sex, and are waiting for a message from you.

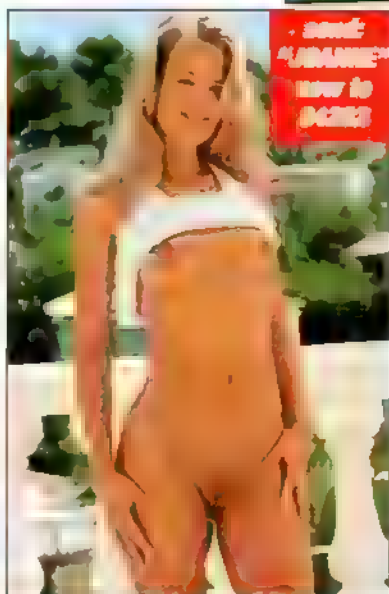

"There are no problems giving out credit card details and no huge overseas phone bills to worry about either. It really is simple to start sex texting. You'll be talking to a girl in minutes and then they'll be there for just as long as you want them. Sex texting is so horny it should carry a government health warning!"

### JO'S SEXY COLLEGE DIARIES

Club girl Jo learnt her wicked ways at college, banging beaver left, right and centre. Now she re-lives those clit-tickling times in her first-ever video. Your dick is 100% guaranteed to get hard at the sight of Jo and her lezzie mates at it for an hour!

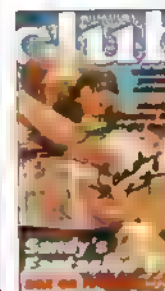

Price: £20.00 each

### SANDY'S HOLIDAY SEX FANTASIES

Club's favourite bi-babe gets up to all sorts of vaginal mischief with naughty Hannah, sporty Sophie and naughty Tina in three sizzling sex adventures. If you enjoy watching this tape even half as much as Sandy enjoyed making it, then your video recorder's in for some punishment.

Price: £17.50 each

### SANDY'S FANTASIES 2: Sex On Location

The most eagerly-awaited sequel since that *Phantom Menace* Star Wars load of old bollocks (although this one actually justifies the hype) Sandy is back, and this time she's ruder than ever. Simply the hardest 90 minutes of red-hot lesbian action available in the UK today.

Price: £22 each

### SANDY DOES HARDCORE

Sexy Sandy has done the dirty and made her first hardcore lezzie flick, certificated under the newly relaxed BBFC regulations. It's as rude you can get without us being thrown in jail with some big lonely bloke.

Price: £20.00 each (Wanking time: nearly the length of a whole football match!)

# it's all the fucking rage!

**Straight from the catwalks of London and Paris comes adorable Adele!**

Is there something we should know about the faggy faddy world of fashion in Britain at the moment? Is it going down the sequinned pan? We only ask because over the last few months we've had a veritable catwalk-full of fashion models beating a path to *Club HQ* to offer their saucy services. The latest of these rude recruits is Adele, 19, who comes from Stevenage and wants to be "as big as Claudia Schiffer". Which is odd because we thought she was quite slim. Anyway, forget about the fashion stuff, what about the sex stuff?!

"Well I like it, if that's what you mean!" she says. Well, that's a good start.

"I've been doing it since I was sixteen and I like it best when it's with slightly older men." Oh, that old chestnut...

"No, it's not that I think older men are better at it or anything. I just like the way they look – a bit more 'worn-in', so to speak! My second boyfriend was almost 40 and he looked like he'd spent most of those years in bars and screwing women. He looked knackered – but very sexy too." Any favourite positions?

"I love getting fucked from behind. It's the best! I also like to see a man get off. It's sexy as hell to watch him handle himself till he's hard then rub up and down till he comes. But I don't meet many men who like to do that sort of thing."

Well we might know a couple... of million! ♣

# fake detective

**S**hit newspapers and cheapo mags are ram packed these days with stupid pictures of hapless never-got-their-bags-out celebrities doing something totally innocent such as walking or smiling, accompanied by a far bigger picture of the same bird's head clamped on top of a hardcore porn model's body so 'it looks a little bit like someone famous has been caught out with an innocent smile on their face and a banana up their cunt'. Well, we don't get it. Nothing – not even the most nerdy Photoshop nerd – will ever change the fact that the famous girl has not got her cunt out. So there.

**ORIGINAL!**

**FAKE!**

The easy way to spot a Club girl's fake pictures is to try and spot the clothes...

## pornalike!

No, Mr Lawyer man, it's not Chandler from Friends really... but it could be... but it's not, so don't worry... but it could be... but it's not

## nearly famous

**A**nd talking of *Friends*, how about this lovely picture of 'The Xerox Girl' that Ross got off with that time he was unfaithful to Rachel (even though he claims they were "on a break" at the time, which we've all used as an excuse too!) in the show a few years back? Her name is Angela Featherstone and she's been in *The Wedding Singer*, *Seinfeld*, and *Con Air* to name but a few, but surely her greatest appearance was when she was getting the attentions of Eliza Dushku in *Soul Survivors*! Mmmm, nice knockers! ♣

# 6 DEGREES OF JENNA JAMESON

Every month, Club takes the viewpoint that in this world of ours, we are all brothers and sisters of the same great global family and that we are all intrinsically linked to one another, verily like the myriad strands of the spider's web. And to prove this, we link a famous person to the porn slattern Jenna Jameson, in six moves or less. This we do most solemnly.

THIS MONTH:  
**SVEN GORAN ERIKSSON**

## STEP 1:

High-pated football theorist totty magnet SVEN GORAN ERIKSSON has been the subject of frequent tabloid little-tattle regarding his extra-marital shenanigans with top TV slut and fellow Swede ULRIKA JONSSON.

## STEP 2:

Ulrika is one of the team captains on the popular TV comedyfest Shooting Stars, and once faced as one of her opponents the fantastic recently-revived British glamour model JOANNE GUEST.

## STEP 3:

Joanne Guest has, in the past, been a cover star of the little known 'adult' publication *Club International*. Another lady who has achieved this hallowed position is JENNA JAMESON.

Sven Goran Eriksson to Jenna Jameson: **3 STEPS.**

Talk about easy. That's what happens when you select a Swede, you see - they're all between them shagged everyone in the world and so it makes our task about as difficult as shelling particularly easy-to-shell peas. If you think you can beat us and suggest a famous person or historical figure who cannot be connected to world-famous scruff video tart Jenna Jameson in six easy steps or less, email it to [swifty@pr-org.co.uk](mailto:swifty@pr-org.co.uk), and if you are correct, we will give you a big box of porn goodies and one of Ulrika Jonsson's pubes, that we found between our teeth last night.
